Welcome back. I hope everyone had a wonderful Christmas and a great holiday break. A special welcome to all the new students starting at Naracoorte High School for the first time.

STAFFING UPDATE
We have some new staff who have joined us this year and on behalf of the school community I would like to welcome: Chelsea Dahlenberg (PE/PLP/Agriculture) who has returned to us after two years at Lucindale Area School, Sarah Kershaw (English), Irene Wilcocks (Science/Physics) and Jessie Cope who is the new Youth Worker at our ILC.

Hayley WiedermanN has returned to the Counsellor role following six months in the United States.

Hillary Trotter has won the position of Senior School/Flexible Pathways Coordinator for the next five years. I would like to take this opportunity to thank Bronwyn Longbottom who replaced Hayley during this time as well as Michelle Gasparini who has been our Senior School Coordinator for two years, making some very positive changes to the culture and ethos of our Senior School.

Jim McConnell will be taking leave for the remainder of the year at the end of Week 2 and the process for replacing him is well underway.

YEAR 12 ACHIEVEMENTS
Congratulations to all students who completed Year 12 in 2016. 100% of our eligible students completed their SACE which is an outstanding effort. I would like to acknowledge our top student, Abby Walker who received a 99.15 ATAR.

Abby also obtained two merit awards in Biology and Research Project which will be presented to her by the Governor of South Australia in early March.

I was also pleased to see the majority of our students (95%) intending to go to University receiving their first or second preferences for the first round of offers. These included: Medicine, Education, Veterinary Science, Health Sciences, Criminology, Nursing, Engineering, Arts, Information Technology, Commerce, Science, Engineering and Agriculture and Environmental Science.
Just as importantly, there were also a number of our students who chose not to go to University, but instead undertake a range of VET options to complete their SACE and transition into an apprenticeship, traineeship or work. To date, many of these students have attained permanent employment which is excellent and reflects the value of incorporating relevant vocational units into their SACE to facilitate their transition into work.

I would like to acknowledge the work of Michelle Gasparini in ensuring the Senior Secondary pathways for all of our students are supported through a comprehensive range of vocational units that cater for their individual needs.

AUSTRALIA DAY AWARD

Our School was the award recipient from the Australia Day Council of South Australia in partnership with the Naracoorte Lucindale Council for the Community Event of the Year Award 2016 for The Resilience Project. Over 500 Naracoorte High School students, staff and members of the community were inspired, engaged and empowered by the highly entertaining Martin Heppell of The Resilience Project in September last year.

We were extremely pleased to have met our objectives with this event which caused a flow on effect to other schools in our region and beyond. Martin will be returning in April this year to present to our Year 8 students at the High School as well as spending two days with the Naracoorte Primary Schools.

We would also like to acknowledge the following local businesses and community organisations who, without their sponsorship and support, this event would not have been possible.

The success of this Project can be directly attributed to the effort and commitment of Nadine DiGiorgio who worked tirelessly promoting the event, soliciting community support and liaising with the event organisers. On behalf of the School and community I would like to thank her for bringing this event to our town and its’ youth. Congratulations also to Trevor Barnett who received a Special Award for his service to the community. A well deserved Award for many years of commitment to our School and the community.
CATASTROPHIC FIRE EVENT
I would like to remind parents that in the event of our region being given a catastrophic rating, our school will be closed and buses will not run. It is extremely important that you ensure that your contact details are current, as this will enable us to contact you at short notice. Please contact the school if your details have changed or are about to change.
We will provide parents with an advance warning two days prior to a possible school closure wherever possible. Confirmation of the closure will be provided by the school the day before we are to close (after 4.00 pm, following CFS advice). The school will endeavour to contact all families by phone after this advice from the CFS has been given. Closure of the school will also be posted on our website www.narahs.sa.edu.au, our Facebook page, www.facebook.com/narahs and Skoolbag App.

Information regarding school closures, and therefore cancellation of buses, will be broadcast on ABC Radio 1161 just before 6am, 6.30am, 7am, 7.30am and 8am.

If catastrophic conditions are not declared in the morning, the High School will stay open and it is business as usual.

Other sites in our hub: Frances Primary School Naracoorte South Primary School Lucindale Area School Naracoorte Primary School Naracoorte North Kindergarten Michelle DeGaris Kindergarten Sunrise Christian School
will remain open for those parents who choose to have their children attend school.

In the event of fires threatening a bus OR bus routes – any affected buses WILL NOT be permitted to leave the school until it is declared safe by the CFS. Children will be kept at school and cared for by staff, volunteers and welfare services for as long as is necessary.

Parents/caregivers will be contacted as soon as is practically possible.

Children will be released only to:
1. Their parents
2. To other persons authorised by the parents in writing or in a documented phone call

Travel during extreme temperature:
The DECD policy is that there is to be no travel out of town when the forecast is for extreme temperature. In the past some flexibility has been exercised around this after risk assessment by sites, however, to avoid any confusion in this area, activities out of town will be cancelled if the forecast is for temperatures of 36°C or over.

Regards
Kym Grant
Principal
GOLD AWARDS
Awarded to students who have been selected to represent the State or have won at a State level in their chosen sport. School teams who win at the South Australian Secondary Schools Sports competition level, therefore being recognised as the State Schools Champion in a particular sport are also recognised for a Gold Award.

WANT TO LEARN A MUSICAL INSTRUMENT?

Opportunities are available for students interested in learning the flute, clarinet, saxophone, trombone, trumpet, recorder, drums and keyboard through the School. As well as the fun of making music there are many positive benefits for the brain, coordination, group skills and character building (to name just a few) associated with practising an instrument!

Enquiries to Mrs Schinckel

KYBY JUNIOR NETBALL CLUB PRE SEASON DATES

Wed 15/2/2017 & Wed 22/2/2017
At Town courts (Naracoorte netball courts)
Moddies, U13B & U13A – 4-5pm
U15B, U15A & U17 – 515-615pm

TRIAL DATES

Wed 1/3/2017 & Wed 8/3/2017 – same times as above

All existing & intending Kyby families are more than welcome to attend.
Any queries, please contact Tanya Baker 0407 184 326

KYBY JUNIOR NETBALL CLUB FUN DAY

Where: Naracoorte North Primary School
When: Sunday 12th February 2017 10am – 1130am
Age: Intending & current U13 & U/15 players
Please bring: Water, sunscreen, hat, towel & bathers (under training clothes)

We are having a combined fun morning with our U14 Junior footballers! A group warm up, then off to the courts for some fun activities. A combined informal chat at the end & then a well earned swim at the lake after we are done. Some refreshing fruit will be provided at the end of the session. All current and interested Kyby families are more than welcome to attend. Any info, please call Tanya Baker on 0407 184 326. Hope to see you all there!!!!
On December the 7th the Naracoorte Independent Learning Centre held their annual Graduation/Presentation evening in the function room of the Kincraig Hotel. The evening celebrated all achievements over the last twelve months. Some of the highlights included celebrating the nine Year 12 students that graduated this year and the nineteen that successfully completed Year 11. All students received a Gold, Silver or Bronze SACE Award determined by the amount of SACE Credits they received throughout 2016 with the top being 170 SACE Credits. Celebrations also included the resiliency shown by the students and the ability to maintain an attendance of 98% average for the year.

Three different PowerPoints were enjoyed by the 55 strong crowd of students, parents and support people on the evening, one reflecting on the year that was, one on the Year 12 graduates and one on the trip to Cambodia undertaken by some of the students this year. The ILC celebrated their CORE values that contain some good messages by which to guide life.

**COMMITMENT** – no matter what you do in life stay focussed and committed. You should all be proud of yourselves. You have committed to achieving your education and you have stayed focussed to achieve your goals. Take this with you forward into the future.

**OPPORTUNITY** – each and every one of you has seized the opportunities that life has thrown at you, whether it has been putting you out there, working in a volunteering capacity or even working for the first time in your life and putting yourself outside your comfort zone. Opportunity is also about making the most of a situation and the ILC students of 2016 have certainly done that with nine completing their secondary education and some achieving 150 or more SACE credits this year. Not to mention the students who took the opportunity to volunteer in Cambodia during their school holidays.
RESPECT – One thing our students have learned to develop and appreciate is respect. Respect comes in many forms. It’s about standing up for the ILC and the environment when others do the wrong thing. It’s about respecting people and valuing them for all the good and bad. It’s respecting the opportunities that we are all given in life and making the most of them. The ILC students have definitely taken on board the idea of respect and all it stands for and it will hold them in good stead for the future.

EQUALITY – We pride ourselves on the fact that everyone is treated equally at the ILC. We are non-judgmental and appreciate the differences that people bring to the table. The ILC culture is one built on respect and treating people well. We know these values will hold our students well in the future whatever it may hold.

The ILC also announce and celebrate that they have moved over the Christmas break to 157 Smith Street. They will combine SACE accredited learning with Community Services at the Independent Learning Centre/Community Hub.

“Your time is limited, so don’t waste it living someone else’s life. Don’t be trapped by dogma — which is living with the results of other people’s thinking. Don’t let the noise of others’ opinions drown out your own inner voice. And most importantly, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary.” Steve Jobs.
